

## 2013-2014 National NJB Clinics

Referee must attend a Referee Certification Clinic to be certified for the 2013-2014 season. All officials must attend a referee clinic and/or a training session to establish a rating for the coming NJB seasons and tournaments.

You do not need to be fingerprinted if you were "Live Scanned" fingerprinted in previous years and your name is on the NJB Fingerprint List. If your name is not on the list and you have a receipt or canceled check, you should call the office to get your name added to the list.
