

Sign Up Info

20014-15 Silicon Valley Chapter Signups will open in August for some Chapters and September for others – check the respective Chapters website for specific dates. New players should follow the steps below to determine which Chapter they should signup in:

1. Players **MUST** play in the local Chapter boundary in which they reside
2. Division League signups are on a 1st come, 1st served bases. This means that any signups after the allotted number of slots offered by a Chapter are filled for a Division, the players will go on a waiting list
3. All-Net signup and player documentation – **review these docs from the “Home Page”**:
 - Player Sign up and Waiver Release Process
 - All-Net Tryout Process - Boys
 - All-Net Tryout Process - Girls
 - All-Net Tryout Dates and Guidelines
4. The “**Chapter Geographic Locations**” gives an overview of all Chapters located in the Silicon Valley NJB Section. Use this map as a general overview only – **viewed from “Home Page”**
5. Use the “**Boundary Map**” to identify your local Chapter. Players **MUST** play in the boundaries in which they live. If there is no Chapter in a city where the player lives, the player **MUST** play in the nearest Chapter to where the player lives – the Boundary Map may load slowly as it is a large picture file (tif format) – **viewed from “Home Page”**
6. “**Zip Code and Street Assistance Map**” - Use the controls top left of map to zoom in, zoom out and move directionally. Please note: Page loads slowly! – **viewed from “Home Page”**
7. Once the new players Chapter is identified, find that Chapter’s website located in “SVNJB Chapters” on the navigation bar
8. Register or send an email through the Website to your local Chapter expressing your interest for participation

Programs offered are:

Division Leagues – Developmental/Competitive: 3rd/4th, 5th/6th & 7th/8th Grades for both Boys & Girls
All-Net leagues – Competitive: 5th, 6th, 7th & 8th Grade for both Boys & Girls
