

The “Blue Card Policy” Process:

Referees are required to give this card to the Head Coach as an official warning that the team sportsmanship is not up to NJB standards, according to our Mission Statement. Poor sportsmanship includes: ALL coaches, bench players, bench personnel and team fans! (*Exception: Players on the court*).

After the official warning at the coaches/referee pre-game, the following will happen:

- | | |
|-------------------|--|
| 1) 1st Infraction | One (1) Technical Foul goes directly to the Head Coach. |
| 2) 2nd Infraction | Two (2) Technical Fouls and the Head Coach is removed from the gymnasium. |
| 3) 3rd Infraction | The game is over AND the offending team is placed on immediate suspension. |
